

# BIG JOE JOEY TASK SUPPORT VEHICLE AND ORDER PICKERS

## J1 Joey Task Support Vehicle

The innovative Joey Task Support Vehicle is a rider equipment that can help put new ideas to work in your facility and significantly improve productivity. With a simple yet durable design philosophy, the Joey is a great alternative to a rolling ladder or larger equipment where elevation of personnel is required to complete a task.

/ Mo. + Tax

- Electronic power steering with AC Drive
- Durable steel frame protects hideaway rear tray
- One piece cover provides excellent easy access
- Extra large 500 lbs. capacity front load tray

There is **no** safe way to carry a box on a ladder

### OSHA REGULATIONS

#### OSHA 1910.23 (b)(12)

Employees must use at least one hand to grasp a ladder when climbing up and down it.

#### OSHA 1910.23 (b)(13)

No employee may carry any object or load that could cause an employee to lose balance and fall while climbing up or down a ladder.

## J2 Joey Order Pickers

The Joey can elevate an operator up to as much as 162" from the floor, turn around in as little as 72", and can be driven at height to move from task to task.
