ELECTRIC PERSONNEL CARRIER VEHICLES

COLUMBIA

Columbia is a trusted top performing productivity partner - getting you where you're going quickly and safely. Narrow designs give these vehicles a tight turning radius with best-in-class capacity rating enabling you to transport personnel and payload through "tight spots" and right up to the job site.

PACK MULE

Pack Mule vehicles handle heavy loads for industrial facilities such as manufacturing plants, warehouses and distribution centers. Regularly used for order picking, towing and as maintenance vehicles with towing capacities ranging from 2,000 - 8,000 lbs. Pack Mule offers superior solutions to increase productivity.
