

EQUIPMENT RENTALS

The Big Joe rental fleet has a wide variety of over 450 pieces of equipment ranging from lift trucks with 1,000 to 22,000 lb. capacities to Narrow Aisle application lifts with over 25 ft. of lifting height. Our full maintenance long-term rental programs enable newer equipment with fixed monthly costs operating in your facility, which equals less downtime to maximize productivity.

We also carry a complete line of in-between Walkie / Rider equipment that can fulfill various requirements where space is limited and low clearance is necessary. Our rental rates are always competitive and are available in daily, weekly, or monthly time frames.
